47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic because no price hike fast and reliable. I use to have like DSL before very slow, it takes forever to load and sometimes you get cut off and lost what you are downloading. so that is one disadvantage.

I would like to keep Sonic optic fiber internet, because there services is fast and reliable.
